TRUZO LTD - Competitor Benchmarking Assessment @ 30 August 2024 A benchmark assessment has been performed below which outlines the services and related fees which Truzo offers, comparing those to competitors offering the same service.

The assessment below reflects the lowest pricing highlighted in Bold.

Overall, Truzo has provided our customers with competitive pricing, as our price range is one of the lowest in the market, without compromising on quality of service. Whilst some of our some of our competitors have no regulatory approvals, Truzo is FCA & FSCA approved and this sometimes leads to additional compliance related regulatory requirements that result in a higher fee compared to a competitor without a regulatory approval and associated compliance obligation.

	regulatory approval and associated	a compliance obligation.
